

URGENT MESSAGE TO OSAP STUDENTS: NEW PHOTO I.D. REQUIREMENTS

For Students who receive OSAP loans, grants, bursaries, or scholarships

Effective **May 1, 2008** – the Fleming College Student Card can no longer be accepted as valid photo I.D. for OSAP purposes.

A recent change in both provincial and federal policy requires that only government issued photo I.D. can be accepted when disbursing government loans (OSAP), grants, bursaries and scholarships.

The following list has been provided by the ministry as examples of acceptable photo identification:

1. A valid Driver's Licence
2. Canadian Passport
3. Provincial Health Card with photo
4. Permanent Residency or Canadian Citizenship Card
5. BYID Card
6. Canadian Military I.D.
7. Native Status Card
8. Firearms Acquisition Card

If you currently do not have any of the above-listed photo identification you need to ensure that you do prior to the start of your next semester (May or September).

THERE ARE NO EXCEPTIONS. Student cards cannot be accepted as valid photo identification for any student in Canada for financial aid purposes. If you have questions about the photo I.D. requirements please contact the Financial Aid Office (see reverse for contact information.)

APPLYING FOR OSAP? HAVE YOU GOT QUESTIONS ABOUT FINANCIAL AID OPTIONS?
